

Blue Sombrero Sports Registration

How to register for athletics via Blue Sombrero

Our Website

Go to: <http://tshq.bluesombrero.com/stmma>. This is the location of our NEW sports website. You will have the ability to view most of the tabs and resources on this site without being registered. However, you MUST register to sign up for sports. After registering and logging in, you will be redirected to your personal dashboard, where you can manage your account, your child/children's sports, and your volunteer roles.

Registration

Go to: <http://tshq.bluesombrero.com/stmma>. Click "REGISTER" in the upper right-hand corner. Fill in the information and click "Create Account".

Account Details

Fill in account details for you and an additional account holder (optional). All information can be edited year-to-year, or as needed throughout the school year.

Add Participants

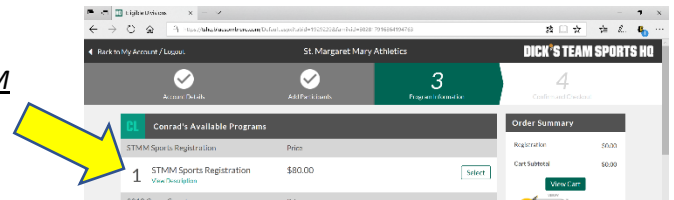

In this step, you will add your child/children. You may include all your children, even if they are not current athletes at STMM. Once your information and your children are added, you will only need to maintain your account.

Add Programs

When programs (sports) become available, you will be able to add them for your child/children. Program availability is based both on the registration open/end dates, as well as the child's birthday.

STMM Sports Registration

Every child that plays a sport **MUST** register for 2018-2019 STMM Sports Registration. This program will collect all necessary registration information and payment. Parents can then add or delete sports as they see fit.

Volunteer

If you are interested in volunteering to be a coach or an assistant coach, please use Blue Sombrero to put in your application. Coaches will then be allocated to teams and contacted by the AD.

Payment

After reviewing your cart, you will be asked to pay your registration fee. This may be paid via credit card on Blue Sombrero or via check turned into the school office.

Additional Paperwork

Most registration information will be collected via Blue Sombrero. **ALL** athletes will need to turn in a current physical to finalize their registration. This document will be sent to your email after registering for the 2018-2019 STMM Sports Registration program.
