

Dear Parents,

I can not thank you enough for support of our 2018 Jog-A-Thon. Even though the weather didn't cooperate, we had a lot of fun running the event in the gym. I was very proud of all the students running their hardest for themselves and for their classes. For me as a gym teacher, it was a heartwarming experience to see how tough and joyful our students can be when they face a big challenge 😊.

Here are the 2018 Jog-A-Thon results!

place	class	# of laps	# of students	average
1st	7	1,413	36	39.3
2nd	5	975	26	37.5
3rd	2	1,010	28	36.1
4th	3	986	28	35.2
5th	6	1223	35	34.9

Like you can see all the classes ran very close race. That is why, we decided to serve popsicles to all participating students on Friday during the lunch. Grade 7th will have "Movie & Pizza" in the gym on Friday afternoon. 6A will join them – they were the top fundraising class (\$997.00). Also, students who raised the most money in each grade and those who ran the most laps will be invited to the movie.

I am so exciting to announce that we met and exceeded this year's goal of \$7,000.00. As of today, we raised \$7,253.00 and we still have some pledges coming (if you forgot to bring yours, you can still send it in with your student – all pledges are really, really appreciated). The money that we raised, will assist the athletic program and will go towards a variety of activities for our students.

Like I said, I can not thank you enough for all your support, encouragement and generosity!

I always feel very blessed to be a part of such a wonderful community!

Have a wonderful summer!

Blessings,

Mrs. A
