

Pre-School Tuition/Registration Commitment Sheet

St. Margaret Mary Catholic School endeavors to supplement the efforts of parents to educate their children by providing experiences conducive to maximum spiritual, intellectual, emotional, social, and physical growth. To be successful in this requires the involvement of parents in supporting the school and parish through teaching children by example the Catholic way of life.

St. Margaret Mary Parish Expectations of School Families

1. St. Margaret Mary Catholic School admits students of any race, color, gender, nationality, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, gender, nationality, or ethnic origin in administration of educational policies, admission policies, athletic, or other school administered programs.
2. Practicing Catholics celebrate Eucharist each weekend together with the Saint Margaret Mary Parish community and participate in the Sacraments of the Church. Each parish family accepts the responsibility of contributing to the financial support of the parish (using Sunday envelopes), in addition to paying their school tuition, so that the parish is able to continue to support the school ministry and all of the other important ministries of the parish.
3. Every family attending our school is expected to contribute their time and talent in one or more of our school and/or parish ministries.

These are significant expectations asked of all families who have children attending our Parish Catholic School. The combination of all three of these expectations constitutes our Catholic way of life, in worship, in practice, and in supporting our Church's Mission. Failure to meet these expectations may keep a family from enrollment in the school.
