Dear Families,

Welcome new and returning families to our Before and After School Care Program. Attached is the schedule of activities, registration form and rates information. All families registered within the care program will receive a Care Program Handbook which includes helpful information and provider contact information. We ask that each family sign an acknowledgement form upon receipt of those materials.

Below you will find some general information:

- Before Care is available from 7:00am – 8:30am in the school cafeteria and gymnasium. No snack will be provided in the morning, however the children are welcome to bring something from home.
- After Care is available from 3:00pm – 6:00pm in the school cafeteria and gymnasium. A snack will be provided daily.
- All children must be signed in for Before Care and signed out for After Care by a parent or authorized adult. Please park behind the school and enter through the south door of the school behind the cafeteria. A doorbell is located at the door.
- Before and After Care is held at school every day that school is in session from August to June. Exceptions are as follows:
 - * Before Care only is available on early release days
 - * No Before or After Care is available if school is cancelled or dismissed early for special circumstances or emergency situation.
