

Grade Five Teacher Preparations:

- October:** Teacher preparation – Using fruits, flowers, vases, assorted objects, and a table cloth, make a still-life arrangement for the children to draw. There are some still life fruits and vegetable in a basket in the MTM storeroom. Other objects will need to be brought from home by the teachers for the lesson.
- November:** Compasses may be borrowed from Miss Whitehead, 6th grade teacher, if needed.
- January:** Teacher preparation: This activity can be done one of two ways, the choice is yours. Either have the children bring in a palm sized rock. **There is a note to be copied and distributed in the binder.** OR cut out rock shapes from brown or gray paper.
- March:** Teacher preparation – Students should bring in a box to school and a collection of smaller boxes and objects. **There is a note to be copied and distributed in the binder.**
