

Grade Six Teacher Preparations:

- January:** Teacher preparation – Students need to bring in various size boxes from shoes, toothpaste, cereal, etc. They also should bring in bottle caps, butter tubs and lids and a variety of objects that can be used on a sculpture. **There is a note to be copied and distributed in the binder. This activity may require more than one session.** The adults can use hot glue guns to help keep things in place.
- February:** Teacher preparation – Make sure there is special heavy watercolor paper cut to size for this activity. It should be in the MTM file cabinet.
- April:** Teacher preparation – Collect objects to be printed. There are some empty thread spools in the MTM storeroom for this activity. Cardboard can be shaped and taped by the students. There is cardboard available in the MTM storeroom also.
